

We are currently seeking new team members to be trained for the position of *International Junior Sales Specialist* at Baran Ambalaj.

This position is specifically intended for recent graduates of Faculties of Economics and Administrative Sciences, as well as related Engineering departments. Candidates are expected to have an advanced command of both **German** and English, along with a strong motivation to pursue a career in sales.

Key Qualifications:

- A degree in Economics and Administrative Sciences or a related Engineering discipline
- Advanced proficiency in both **German** and English
- Strong communication skills, eagerness to learn, and a clear career focus in the field of sales
- A team-oriented approach and strong analytical thinking abilities

About the Position:

Selected candidates will gain hands-on experience in international sales operations, working closely with a team of industry professionals. This role offers an excellent opportunity for professional development in a dynamic, fast-paced environment.
